I am about to wrap up my last year at this school and I couldn't be more grateful for this amazing middle school ride! I have made some of the best relationships with my teachers, my friends, and my coaches! Wouldn't have done it any other way so glad I had the opportunity to come to NFMS and I am so sad to leave. Had a great three years academic wise and the teachers are so special at this school. NFMS deserves to be number 1. <333

North Forsyth middle is an excellent school. The teachers are amazing! I have had many take the time to send me a message about how my child is doing and how thankful they are to have her. She has made honor roll both years so far, which is great when middle school can be tough to adjust to.
